SECTION 8. Pay Day

The regular pay day shall be once a week on such day agreed upon between the individual employer and the appropriate Local Union. Wages shall be paid before quitting time on the job, in cash, by check or other legal tender. When requested by the Union, an individual employer will make arrangements with a local bank to cash the workmen's pay check. Individual employers may withhold where necessary a reasonable amount of wages but not to exceed the provisions contained in the Labor Code of the State of California, or Nevada when applicable, to enable them to prepare the payroll. If pay day falls on a holiday, the workmen shall be paid the day preceding the holiday.

When workmen are laid off, or discharged, they shall be laid off or discharged at the site of construction and paid in full in cash, by check or

other legal tender immediately and, if required to go to some other point or to the office of the individual employer, the workmen shall be paid for time required to go to such places.

An employee who quits shall be mailed his pay in full by certified mail to his last known address within seventy-two (72) hours or be paid prior to leaving the job or project.

Any undue delay or loss of time caused the workmen through no fault of their own shall be paid for at the regular straight time wages by the individual employer causing such delay.

Accompanying each payment of wages shall be a separate statement identifying the individual employer, showing the total earnings, the amount of each deduction, the purposes thereof and net earnings.

If workmen are not paid by their individual employer during the usual working hours, they shall receive the applicable overtime rate for all time after the regular working hours that they are required by the individual employer to remain on the job site on such regular pay day. If workmen are not required to remain on the job site on the regular pay day they shall receive four (4) hours pay at the appropriate overtime rate. Workmen, who through no fault of their own, are not paid on the regular pay day shall be paid waiting time for each hour of time they are required to wait on the next and each succeeding day at the regular straight time hourly rate, not to exceed eight (8) hours per day. Where an employee is still employed by the individual employer, waiting time shall be in addition to the employee's regular hourly rate.
